RE: I.T.B. #7037/ DUMP TRUCKS

DATE: APRIL 18, 1994

J-94-04-22

The application for the purchase of four (4) dump trucks by the Street Department will be for the replacement of trucks in the fleet that are 15 years old and are requiring constant repairs. These trucks are used on a year around basis and have in excess of 150,000 miles on them. One of them broke down this winter beyond repair and had to be taken out of service. Constant down time and excessive repairs make using these vehicles as front line trucks a hardship.
